

6th Grade Supply List

Below is the list of items that your child will need for the school year. All of the items are things that your child will use daily. The list has been divided by subject area so that you will know which items to bring each teacher. The teacher will let the students know which items to leave in class and which items to keep with them. This list will help to ensure that every student has everything needed every day. Teachers will let you know if items get used up and need to be replaced.
