

MAGNET STUDENTS

6th, 7th, and 8th grade Supply List

Below is the list of items that your child will need for the school year. All of the items are things that your child will use daily. However, the list has been divided into two categories because some of the items are just too much for students to carry around with them all day. At Woodlawn Middle we leave our book sacks in the lockers. **Therefore, certain items will be collected by the magnet coordinator, distributed to the teachers, and kept in the classrooms for students to use, when needed.** If students run out, lose, or forget things, they will be able to get them from the teacher. This will help to ensure that every student has everything needed every day.
